TECHNICAL DATA

| | | |
|---|----------------|--|
| Room heating capacity (min-max) | m ³ | 135 - 230 |
| Nominal thermal efficiency | % | 80,8 |
| Rated heat output | kW | 8,2 |
| Consumption at rated heat output | Kg/h | 2,0 |
| Maximum heat output | kW | 10,0 |
| Maximum consumption | | 2,9 |
| Dimensions WxDxH | cm | 75 x 59 x 146 |
| Cladding | | malolica |
| Front | | malolica |
| Firebox | | acciaio |
| Primary and secondary air | | regolabile più terziaria predeterminata |
| Tertiary air | | |
| Air combustion kit | | optional |
| Flue box | | Aluker |
| Brazier | | ghisa |
| Flue outlet Ø | cm | 15 superiore o posteriore |
| Ash drawer | | estrabile |
| Door | | ghisa |
| Ceramic glass | | resistente a 750°C autopulente |
| Door handle | | acciaio con impugnatura in materiale siliconico o malolica |
| Wellness-unit lidifier in stainless steel | | no |
| Oven in stainless steel (LxWxH) | cm | |
| Multifuoco System® | | optional |
| Multifuoco System Plus | | |
| Front air vento rientabile | | s/s |
| Forced Convection Kit | | no |
| Total weight | Kg | 260 |

The availability of models may vary from Country to Country.

GENERAL TECHNICAL CHARACTERISTICS

Natural heating distribution
Radiant, conduction and natural convection heating

Heating with Multifuoco System®
Four speed optional forced ventilation kit with remote control.
Warm air ducting up to 10 m

Structure
Enamelled steel with door and grate in cast iron, firebox in Aluker®, support in enamelled steel. Steel handle with silicon sleeve or in majolica on versions Blanco and Blanco Antico with decorations

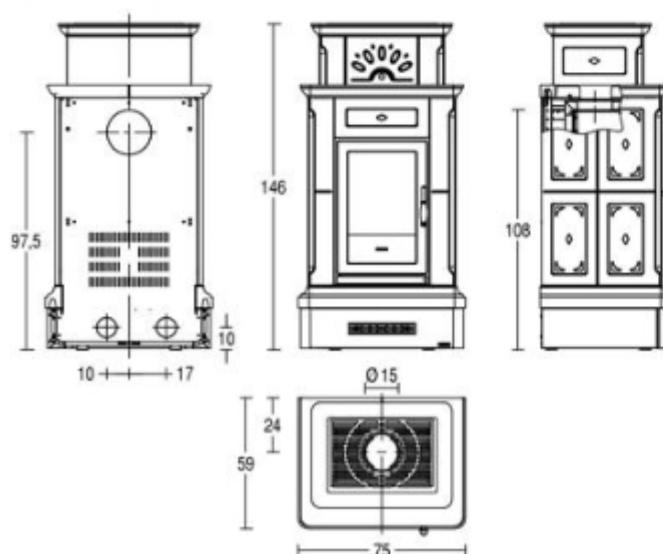

Combustion air kit
Optional system to optimise combustion and stove efficiency, taking in fresh air from outside the dwelling

Majolica cladding
Unique large hand-made pieces

Easy Cleaning
Quick and easy maintenance, removable ash drawer

Safety devices
Automatically closing door

TECHNICAL DRAWING

Poiché l'azienda è costantemente impegnata nel continuo perfezionamento di tutta la sua produzione, le caratteristiche estetiche e dimensionali, i dati tecnici e gli accessori possono essere soggetti a variazione.
