

QUBE 1

Aesthetic suggestions for this compact stove, well suited for smaller spaces.
Fine hand-made majolica cladding. Optional majolica bench.

COLOURS ▾

GENERAL TECHNICAL CHARACTERISTICS

Natural heating distribution

Radiant, conduction and natural convection heating

Multifuoco System Plus

Optional forced ventilation kit with four electronic controlled power levels and LCD remote control. Warm air ducting up to 10 m

Multifuoco System®

Optional fourspeed forced ventilation kit with remote control.
Warm air ducting up to 10 m

Tertiary air system

Optimizes combustion and ensures high efficiency with low emission into the atmosphere

Structure

Firebox and door in enamelled steel with gate in cast iron. Fire pit in Aluket®

Air Glass System

Self-cleaning ceramic glass resistant up to 750°C

Easy Cleaning

Quick and easy maintenance, removable ash drawer

Wide screen fire

Wide vision of the fire to provide the right atmosphere

Majolica cladding

Unique large hand-made pieces
